

## CHARLES DYER

FILM EDITOR

### About Me

Quick but patient, I'm a multi-skilled perfectionist. I love to distil complex topics into inspiring stories, from award-winning natural history films to animated storyboards and behind-the-scenes shorts.

### Awards / Nominations

- 2025 - Emmy nomination for 'Single Camera Editing' on *Secret Lives of Orangutans*.
- 2024 - RTS West win for 'Best Editing' on *Life on Our Planet*.
- 2021 - Emmy nomination for 'Outstanding Picture Editing For A Nonfiction Program' on *David Attenborough: A Life on Our Planet*.

### Additional Skills

Confident camera operator and sound recordist. Field editor and DIT.
